Video and Other Materials

For People With Cancer

Audio cassette (1) format; Health Journeys' author and psychotherapist Belleruth Naparstek leads guided imagery, a technique that engages the imagination in the healing process (1993).

The Forgetting: A Portrait of Alzheimer's

DVD format; PBS; the documentary weaves together the intense real-world experiences of Alzheimer's patients and caregivers, the history and biology of Alzheimer's and the ongoing struggle to end the disease; with Q&A program hosted by David Hyde Pierce (2003).

Mortal Coil: Voices From the Hospice

VHS format; actor/author Lester Thomas Shane presents, in a series of monologues, a single night on a hospice unit, portraying patients, caregivers and staff who face death and embrace life with unique insight, compassion, and gentle humor (1997).

Pacific Light

VHS format; healing music video featuring the music of R. Carlos Nakai and the cinematography of Thomas Oates Jr. along the California and Oregon coast; designed to help patients experience peace and healing (31 min.).

Pioneers of Hospice: Changing the Face of Dying

DVD format; meet the actual pioneers who created hospice in the modern world and glimpse their wisdom and wit: Dame Cicely Saunders, Florence Wald, Elisabeth Kubler-Ross and Balfour Mount; 49 min.; (2005).
